SAFETY PRECAUTIONS

The neckband is a fitting to mount the InfoLinker.
You are recommended to wear glasses or eye protection when using the InfoLinker to avoid injuring your eyes with the display in case of an unforeseen accident (such as a fall or collision). When using the InfoLinker, be sure to wear glasses or eye protection fixed to the neckband with the clips.
We assume no responsibility whatsoever for accidents arising from your misuse of the product.

⚠CAUTION [Minor injury or damage to property may occur]

Do NOT attempt disassembly, modification, or repair.

This may result in damage to the product.

Do NOT expose to high heat or direct sunlight. Do NOT heat or expose to flames.

This may result in deformation, discoloration, or damage to the product.

Do NOT drop or hit.

Do not hit or strike with a hammer and the like, or drop the product. This may result in deformation or damage to the product.

Do NOT use if you feel discomfort.

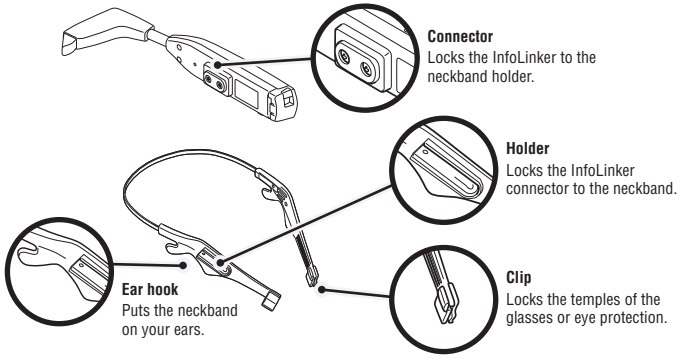
If you feel itching or skin irritation, discontinue use of this product and consult with a physician immediately.

SUMMARY OF SPECIFICATIONS

Accessories	Body	Material	Body: Stainless steel, plastic
	Clip		Clip:TPI

* Product specifications may change without notice.

PART NAMES AND FUNCTIONS

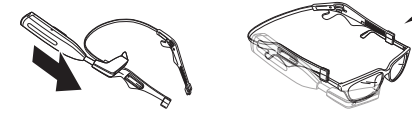


Connector
Locks the InfoLinker to the neckband holder.
Holder
Locks the InfoLinker connector to the neckband.
Ear hook
Puts the neckband on your ears.
Clip
Locks the temples of the glasses or eye protection.

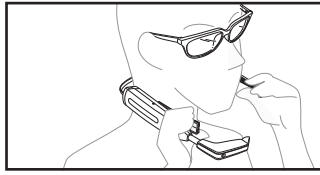
HOW TO WEAR

STEP 1
Slide the InfoLinker connector to insert it into the neckband holder.

STEP 2
Lock the temples of the glasses or eye protection using the neckband clips.



Regarding clip size (Small, Medium, Large)
Clips can be replaced to fit the width of the temples. They can be used oriented either inward or outward.



To take off InfoLinker temporarily
Detach the temples of the glasses from the clips and put the neckband around your neck.
